Why Choose StageAbility?

While some drama clubs focus heavily on performances, our unique approach dives deep into fun, creative games and activities. Children devise scenes, improvise, and build theatre skills, but the magic happens in the belonging, the sharing and the trust.

You'll be pleasantly surprised by the positive impact on your child's participation at school and their communication skills outside of class. We've helped hundreds of children across Berkshire to increase their self-esteem through the power of drama. **Discover their stories and more about StageAbility at <https://stageability.co.uk>.**

"My daughter has been a part of StageAbility for nearly 5 years now. She has loved the weekly classes and has joined in on a few of the shows, too. My family and I have loved watching her grow in. StageAbility has been amazing for her to help nurture her passion for drama and it's also given her a great network of friends." Mrs P. Smith
