

Where in the World!

At St Mary's we would like to discover more about the world we live in and share the experiences of our travels. To help us, we are asking children to send us a postcard from wherever they travel to. This could be somewhere in the UK or abroad. The children can include photos and captions, drawings or writing to tell us about where they have been, what they have seen and some information about the location they travelled to. This can be emailed to the office for printing or handed to the class teacher. We will then display the postcards in school to help us build our knowledge of the world.

This is a voluntary activity but the more children taking part, the more we will discover! Happy travels MSM!

Mrs Roumignac
