

Where in the World!

At St Mary's we would like to discover more about the world we live in and share the experiences of our travels. To help us, we are asking children to send us a postcard from wherever they travel to. This could be somewhere in the UK or abroad. The children can include photos and captions, drawings or writing to tell us about where they have been, what they have seen and some information about the location they travelled to. This can be emailed to the office for printing or handed to the class teacher. We will then display the postcards in school to help us build our knowledge of the world.

This is a voluntary activity but the more children taking part, the more we will discover! Happy travels MSM! Here is an example of the type of thing you could create.

Mrs Roumignac
Geography Co-ordinator

We went to Madrid for our Summer holiday. It is the capital city of Spain and is in the centre of Spain. It is hot in the summer and has cool winters. There is a restaurant in Madrid that is in the Guinness Book of World records for being the oldest restaurant. There aren't any beaches near to Madrid but there are lots of museums and churches that you could visit instead.

Location: Madrid

County: Spain

Continent: Europe

Currency: Euros

Language: Spanish

Time difference with the UK: 1 hour ahead
