School Times – Mortimer St John's School

From September 2024 the changed school opening hours for Mortimer St John's school are slightly less than the guidance from the Department of Education regarding the Length of The School Week. This is due to the Governing Body and School staff recognising the practical impact for families who have siblings attending at both schools. The new timings will enable families a 15-minute window to walk between schools, to ensure children can arrive and be picked up promptly from both schools.

Once the new timings have been trialled for a term, the school timings for Mortimer St John's School will be reviewed again during the academic year, with the view to bring the length of the school week in-line with guidance from the Department of Education.
